The principle of confidentiality is followed in all the work of Sole Purpose Productions. This means that we treat all information safely and professionally.

A policy of confidentiality allows us to be open about our own work, and improve our product, while protecting those who work with us, those who see and take part in our work, and other organisations.

Emmanuel Development Association (EDA) strives for high standards in all aspects of its work, and using the policies and procedures in place, aims to be fair at all times and provide satisfaction to anyone

using the services it provides. The staff and associates who represent the organisation are committed to high standards of conduct and service at all times. This policy will be made available to members of the public on request.

Should complaints arise it is EDA's policy to deal with these complaints quickly and efficiently.

A complaint is defined as a user of Emmanuel Development Association (EDA) or its services, being unhappy with the service they have received and the user wishing to make their unhappiness known to a representative of the Organization either verbally or in writing.

Complaints may be made verbally or in writing, and the procedures are as follows:-

### **Verbal Complaint**

The complainant should ask to speak to the most senior member of staff available. The member of staff will take details of the complaint, identifying both the nature of the complaint and, if appropriate, the individual against whom the complaint is being made. Any complaint against an individual will be dealt with in a confidential manner.

### **Written Complaint**

The complainant should write to the Director giving full details of their complaint and, if appropriate, who their complaint relates to.

### **Procedure**

All complaints, written or verbal, are logged and the Director will formally acknowledge receipt of the complaint, and provide a written response to the complainant within 4 working days, detailing where necessary the further course of action to be taken. Where it is not possible to provide a full response within this time frame, a letter will be sent to the complainant outlining progress and indicating when a response is likely to be forthcoming.

If the complainant is satisfied with the response, the matter will be considered to have been closed. If the complainant remains dissatisfied with the explanation, or course of action, he/she can appeal to the Chair of EDA's Board of Directors.

The Chair will review the complaint and either decide that the action proposed is adequate or that a different course of action should be adopted. The outcome of this review will normally be communicated in writing to the complainant within 15 working days of the appeal being lodged.

If the matter remains unresolved, he/she has the right to consult a third party arbitrator and an agreed process will be put in place.

This complaints procedure is reviewed annually by the Board of Directors or at shorter interval should legislation of good practice require it.

Emmanuel Development Association (EDA) has a Grievance Procedure in place to ensure all staff and associates are given a fair hearing concerning any grievance that they may wish to raise.
